The Academy for Critical Incident Analysis, at John Jay College of Criminal Justice, has been established with the support of the Dart Foundation, to promote and disseminate scholarly research relating to the emergence, management and consequences of critical incidents. ACIA sponsors scholarship and research, hosts conferences and symposiums, and maintains research archives of incident records. ACIA also supports the development and dissemination of course curricula and supporting media for the teaching of critical incident analysis, and supports related instruction at the graduate and undergraduate level at John Jay College.
